# ABOUT US

- **About Us:** KaruMitra is a dedicated NGO committed to empowering the citizens, students, and businesspeople of Karnataka by providing comprehensive support and resources. Our mission is to create a sustainable and inclusive community where every individual has the opportunity to thrive. We bridge the gap between needs and resources, offering tailored assistance to enhance personal and professional growth.
- **Our Vision:** Our vision is to be the premier support portal for Karnataka, fostering a collaborative environment where local communities, students, and entrepreneurs can access the assistance they need to succeed. We aim to uplift and empower individuals, driving socio-economic development across the state.
